ABOUT

COMJAGAT TECHNOLOGIES

Comjagat Technologies has been successfully serving the ICT industry since its inception in 2007, offering customized IT solutions and support to organizations across diverse industries. From providing fintech solutions to developing mobile applications, Comjagat has always created a sense of satisfaction among the client base with our industry-leading solutions and support mechanisms.

While serving more than 500 clients in over 15 years, Comjagat Technologies has gone on to become a name to be reckoned with in the IT industry of the country. In 2023, Comjagat received A2P (Application-to-Person) license from the concerned authority and has been successfully providing bulk SMS services to corporate clients ever since.

Why Chose Us?

- 500+ clients served
- 15+ years of experience
- 30+ highly skilled, dynamic, and hard-working professionals
- Reliable and highly secured bulk SMS support

Key Features of Bulk SMS:

- **Government-Authorized Platform:** Comjagat Technologies holds a valid license from the government for application-to-person messaging, ensuring compliance with regulations and standards.
- **Masking and Non-Masking:** We are offering you the bulk SMS/ mass messaging services in both masking and non-masking modes, just to ensure we meet your customized needs.
- **Scalability:** Whether you are a small business or a large enterprise, our platform is designed to cater to your specific needs. By sending hundreds of messages (bulk SMS) on your behalf, we have the infrastructure to support your growth.
- **Reliability and Security:** Security and reliability are paramount in messaging services. Our platform employs robust security measures to safeguard your data and ensure the delivery of messages without fail.
- **Analytics and Reporting:** Gain valuable insights into your messaging campaigns with our comprehensive analytics and reporting tools. Track delivery rates, engagement metrics, and more to optimize your communication strategies.

Benefits:

- **Cost Savings:** By choosing our bulk SMS services, you can significantly reduce your communication costs compared to traditional channels like print or broadcast media.
- **Increased Reach:** Reach a wider audience instantly with SMS, paving the way for a higher rate of responses and engagements compared to email or other forms of communication.
- **Increased Reach:** Reach a wider audience instantly with SMS, paving the way for a higher rate of responses and engagements compared to email or other forms of communication.
- **Dedicated customer Support:** Avail consistent support from our dedicated customer care team who always go by the spirit of serving their level best.
